RE: 106 Order Docket No. V-W-94-C-249 -- Oral Request for Access

Dear Kurt:

Thank you for the phone message regarding your request for access to 4004 S. Wentworth. As offered in our letter to you of October 7, 1994, we will provide you walk-through access to 4004 S. Wentworth on October 17, 1994 at 10:30 a.m. However, we repeat our request to stay further testing until Respondents have had an opportunity to review the Amended Section 106(a) Order and fully evaluate their ability to comply.

In addition, your phone message did not address whether you have requested access to 4020 S. Wentworth. Respondents repeat their stated objection to any review, sampling or other action with regard to 4020 S. Wentworth. This parcel, despite clear differences in legal title with 4004 S. Wentworth, has not been named or described as a part of the existing Section 106(a) Order. For this reason and others stated previously, we repeat our objection and will properly refuse access to 4020 S. Wentworth, if such access is requested.

Again, please let me know when I can obtain a copy of the most current Work Plan for 4004 S. Wentworth. I would be more than happy to pick up a copy by messenger, either at your offices or at the Record Center.

Yours truly,

Carolin K. Shining, Esq.
